

Art In Motion Site Map

Below is a map of the Norton City Schools' Central Campus. **Please be advised that there is spectator overflow parking just off the campus site (near Warm Up Field A) and across the street from the Stadium.** Parking attendants will be available to assist with parking needs. Rest rooms for students/staff of bands are available at the High School near the bus/truck parking.

Bands/front ensemble equipment will enter the field from the performers' right and will exit the field to the performers' left.
